WHOLESALE SPECIAL PRICE LIST

An attractive planting of our fine hardy Rhododendrons, which give such universal satisfaction

What one of our many satisfied customers writes this Summer:

"The collection of Rhododendron Hybrids sent me last Fall—the order being given as a result of the fine quality of the same plants sent last Spring—has been extremely satisfactory to me. They are very fine bushy plants in every respect, and are in fact the most satisfactory money I have ever spent on nursery stock."
